## **Request for Financial Assistance Financial Assistance Guidelines**

Please complete form on reverse.

- Application must be complete and include proof of income and any required deposit.
- Financial Assistance requests must be for something specific, e.g. uniform parts or a specific activity.
- Financial Assistance funds are supplementary. The Council expects each family to pay as much as it can toward the cost of the Girl Scout experience.
- Financial Assistance funds are based on financial need and/or special circumstances. Based on where a family qualifies, assistance can range from 20% up to 80% of a request.
- Financial Assistance funds are limited. The Council makes every effort to provide enough support so that no girl is denied participation in a Girl Scout experience due to lack of funds.
- Applicants may be eligible for Financial Assistance up to twice a year if the second experience is significantly different from the first.
- The Council offers payment plans for council sponsored events. The payment schedule is negotiable and arrangements can be made by calling Girl Scouts of Northern California San Jose Office, (408) 287-4170 or (650) 968-8396 ext. 222.
- Send all requests to:  
Girl Scouts of Northern California
